Pulling Year 2017

The pulling season started with the first state sanctioned pull at Elk River MN on July 20, 2017 and ended the year at Corcoran MN on August 26th...

We had a total of 16 pulls this year. 14 UPM state pulls and 2 Region 3 pulls.

We had 2 rainouts this year — 1 state Corcoran 1 Region 3 pull Owatonna.

It was a full summer from July to August..

We ended up having a few new pulls for the 2017 season - Perham, Moram, and Bird Island MN came on board as a state pulls this year.

Lets keep the numbers going up in the classes, have safe pulls and have fun. That is how we get more state pulls every year. LETS KEEP IT UP!!!!!!

I would like to say thank you to all entry helpers, Bill Daluge for announcing and doing some of the events, tech officials, scale and laser operators, announcers, and to all the competitors.. Thank you for all you do or did..
