All people who are interested in running ProFarm class need to get their clutches and roll cages inspected before the pulling season.... Before you are able to pull. Contact Dale Quamme at 612.810.3329 cell or 651.423.6371 home. And watch the UPM website for posted dates also. **Clutch and roll cage inspections will not be done at pulls.**

We also need State memberships in by May 1st for the Pro Farm class for anyone who is running — the first official pull for Pro Farm is June 2nd. There are 9 hooks for the Pro Farm class. We need members. **You will also need to have your NTPA license before pulling in this class.** You are allowed to buy the discounted rate for first time members.

If we do not have enough people committed to this class this year — this class will be no longer. It will be pulled from the contract this year.
