Pulling Year 2021:

We had a total of 16 pulls this year. 13 UPM state pulls and 3 Region 3 pulls.

It was a full summer from July to September..

Lets keep the numbers going up in the classes, have safe pulls and have fun. That is how we get more state pulls every year. LETS KEEP IT UP!!!!!!

I would like to say thank you to all entry helpers, tech officials, scale operators, Dakota and Phil L for doing the laser, announcers, and to all the competitors.. And last but not least Bill for all that he did and does each year running the events - Thank you for all you do .. We could not put the events on if it wasn't for all these people..
