Pulling Year 2019

The pulling season started with the first state sanctioned pull at Herman MN on July 21, 2019 and ended the year at Corcoran MN August 24, 2019 missing one of our own who was with us in spirit "Tiny" Warren Daluge.. Ageless.

We had a total of 13 pulls this year. 11 UPM state pulls and 2 Region 3 pulls. Faribault and Ogilvie where rained out unfortunately ..

It was a full summer from July to September..

We ended up getting a new pull this year in Arlington MN - was great to be back there.

Lets keep the numbers going up in the classes, have safe pulls and have fun. That is how we get more state pulls every year. LETS KEEP IT UP!!!!!!

I would like to say thank you to all entry helpers, tech officials, scale operators, Dakota for doing the laser, announcers, and to all the competitors.. And last but not least Bill for all that he did this year running the events - Thank you for all you do or did.. We could not put the events on if it wasn't for all these people..
