## Pulling Year 2018

The pulling season started with the first state sanctioned pull at Elk River MN on July 19, 2018 and ended the year at Ogilvie MN September 8, 2018...

We had a total of 18 pulls this year. 15 UPM state pulls and 3 Region 3 pulls.

It was a full summer from July to September..

We ended up getting Fairmont back this yr after a few years of not being there.

Lets keep the numbers going up in the classes, have safe pulls and have fun. That is how we get more state pulls every year. LETS KEEP IT UP!!!!!!

I would like to say thank you to all entry helpers, tech officials, scale operators, Dakota for doing the laser, announcers, and to all the competitors.. And last but not least Bill for all that he did this year from announcing, running the events, etc - Thank you for all you do or did.. We could not put the events on if it wasn't for all these people..
